ABOUT US

Our commitment: to offer to our customers confidential and high quality wines which are selected meticulously by our in-house oenologist and wine expert.

Co-founder of wine selection, our oenologist Matthieu is based in Bordeaux (France) and obtained his master at the prestigious “University d’Oenologie de Bordeaux” in 2000. Since then, he travels all around France to select authentic winemaker wines. On top of the exceptional quality of these vintages which all express the potential of their terroir, we give extreme value to the confidentiality of these vineyards.

Available almost exclusively in France you now have the possibility to discover those exclusive and unique wines from our Singapore base.

In addition of these authentic wines, we of course offer the whole range of the Grands Crus Classés from Bordeaux and Burgundy area.

Our oenologist remains as well at your entire disposal would you need to obtain a specific wine or vintage.
